## Jan 18th, 2018

With DI Jürgen Brandstätter, Co-Chair, IHE Europe

**12:00** Welcome and Lunch: **Olivier de Vlam, EVP F&O, Brill**

### **13:00 – 14:20 First block: „Introduction and overview“**

- Introduction (Alexander), 10min
- IPE Genesis (Michaela), 5min
- Overview on IHE (Jürgen)
  - What is IHE?, 15min
    - What is the actual problem IHE is solving?
    - What is IHE's place in the SDO landscape?
  - Introduction into the IHE methodology, 20min
    - The two pillars of IHE: Profiling and Testing
  - The IHE organizational structure, 15min
    - How is IHE organized on a global scale?
  - Leveraging of IHE in Healthcare, 15min
    - Prominent examples how IHE solved „unresolvable“ interoperability problems in Healthcare

**14:20 – 14:40 Coffee break**

### **14:40 – 16:00 Second block: „Closer observations“**

- IHE Pillar 1: Profiling (Jürgen), 50min
  - Detailed explanation of a profile
    - Structure of the document
    - What are the most important parts
  - How a profile is created
    - Which persons are needed and how are they collaborating
    - What are the cycles
    - Further development, maintenance, versioning
- IHE Pillar 2: Testing (Jürgen), 30min
  - Details on Connectathon, Projectathon, Conformity Assessment

**16:00 – 16:20 Coffee break**

### **16:20 – 18:00 Third Block: „Interactive first application of the IHE methodology onto the Publishing sector“**

- „Live“ from the IHE Connectathon in Cleveland, 20min
  - Feel the atmosphere of a real Connectathon by a “live” link-up
  - The technical leaders onsite explain the process and the testing tool Gazelle
- Interactive session: Demo creation of a profile for the Publishing sector, 50min

- Step 1: A use-case of out of the Publishing sector will be presented to the audience (**Jens Nebe, VPS, GGP**)
- Step 2: Review by the audience and discussion, extension, agreement
- Step 3: Creating an Actor/Transaction diagram (the most crucial part of a profile)
- Explanation of the following steps according to the process
- Closing (Alexander/Michaela), 10min

**19:00     Dinner** Restaurant BREE 33, Breestraat 33, 2311 CH Leiden, T: 071-8899888

### **Jan 19th, 2018**

**9:00 – 9:30**     Welcome (Alexander/Michaela)  
Introduction IHE **Tie Tjee, Vendor Co-Chair, IHE The Netherlands**

**9:30 – 11:00     Working Groups** – see detailed agenda

**11.00 – 11:30     Coffee break**

**11:30 – 13:00     Working Groups** – see detailed agenda

**13:00 – 13:30     Lunch**

**13:30 -14:00     Closing & Farewell** (Alexander/Michaela)

#### **Working Group: Technology**

**9:45 – 12:45     Robert Breas,**  
**IHE Academy (MedicalPHIT)**

1. Introduction participants
2. Recap IHE methodology and Interoperability model
3. Connectathon
4. Exercise transaction diagram publishing world
5. Transfer of data profile (XDS profile with Affinity Domain, metadata)
  - a. Gazelle testing
6. Consent profile
  - a. Gazelle testing
7. EVS-client in Gazelle tool, validation of messages and documents
8. Authentication, XUA profile
  - a. Gazelle testing
9. Secure connections and logging, ATNA profile
  - a. Gazelle testing

**12:45 – 13:00     Conclusion**

#### **Working Group: Management**

**9:45 - 12:45     Alexander, Jürgen, Michaela**

1. Feedback & Questions, 15 min
2. Interoperability in the Book Industry:  
Compilation of the required profiles, 20 min
3. Prioritizing and decision, which profiles  
to develop, 20 min
4. Next steps of practical implementation, 60 min

**12:45 – 13:00     Conclusion**
